New look floor
coming soon

Junior Training
Monday &
Wednesday
5.30 – 7.30pm

More info will be in
next issue

Welcome to the first newsletter for 2007. We hope that you had an awesome Christmas. We have some exciting things happening in this year.

As you probably know, the NTBA membership has voted to accept the SportsCourt surface which is due to be installed in June-July.

Training and team selection for the Arafura Games has commenced under coach Tom Miller. We welcome any player who is interested for trying out for the squad. We are also looking for volunteers for the Games to assist with court applications, transport and other various tasks or duties. Interested parties should speak with Russell Williams or Rodney Pearce.

Upcoming events interstate are as always, the Ede Clendinnen Shield, and the Val Nesbitt U15 Championships in Geelong in September. The NTBA is looking to send teams to both.

Juniors Training is available on Mondays and Wednesdays from 5:30PM to 7:30PM at the Fannie Bay Hall. Interested Parties can contact Saidina Pawero or Rodney Pearce for further information (see website).

The Alice Springs Open is to be held in May. Any players interested in taking part in the Alice Springs Open are asked to make themselves known to the NTBA as early as possible if they wish to make use of subsidised travel.

If you have any questions or suggestions for items in the newsletter, please email us at admin@ntbadminton.org.au
